You seem to know some theory but one of the odd things here is that you lightly touch on is key. I would say the frequency of commonly related chords (relative to the key) is more important than what chords are most common.

I analyzed the chords of 1300 popular songs for patterns

This is a wonderful book for students with some limited knowledge of their instrument. I use it to teach both guitar and piano students. It should be noted the songs do not show the bass clef for piano students, so they will need to know how to compose chords based upon the chord name.

Lovesexy is the tenth studio album by American recording artist Prince. The album was released on May 10, 1988 by Paisley Park Records and Warner Bros. Records, a little over a year after Prince's previous studio album, Sign o' the Times, which received critical praise and a Grammy nomination for Album of the Year. Lovesexy received mixed reviews; it was issued as a substitute record after the ...
