An academic degree is a qualification awarded to students upon successful completion of a course of study in higher education, normally at a college or university. These institutions commonly offer degrees at various levels, typically including bachelor's, master's and doctorates, often alongside other academic certificates and professional degrees. ...

Academic degree - Wikipedia

This article is a list of countries by military expenditure in a given year. Military expenditure figures are presented in United States dollars based on either constant or current exchange rates. These results can vary greatly from one year to another based on fluctuations in the exchange rates of each country's currency. Such fluctuations may change a country's ranking from one year to the next.
