Assisting at Surgical Operations - A Practical Guide .PDF

'Assisting at Surgical Operations deals with all those things you ever wanted to know in the operating theatre but were too afraid to ask. It is an easy to read, humorous guide to the practicalities of surgical assisting - something that is not taught routinely to the undergraduate and often taken for granted in junior surgeons.'

Assisting at Surgical Operations by Comus Whalan

A guide to assisting at surgical operations 2: handling surgical instruments Sometimes the suture material gets stuck between the closed scissor blades, without being completely divided. Pulling your hands away rapidly in this situation is likely to tear the ligated structure.
