At a time when the pace of economic change continues to accelerate, the IRF is making strides to capture important trends impacting the incentive and recognition industry's trajectory. This paper was developed through collaboration by the IRF's Board of Trustees and advisors, pulling information from the IRF's extensive internal pool of data and client experience, and from outside research.

50. Q: If people want to assess their own abilities as leaders, how do you suggest they get started? A: In our research we've learned that the behavior leaders struggle with the most is "I ask for feedback on how my actions affect the performance of others." It's something everyone finds difficult, so just asking the question about getting started is a big step forward.
