Forster, C. A. Australian cities : continuity and change / Clive Forster Oxford University Press South Melbourne ; ... It examines the changing nature of Australia's major cities from a geographical perspective, and discusses the current issues in urban policy. Author from Flinders University, SA.

Australian cities : continuity and change / Clive Forster

Australian Cities: Continuity and Change examines the changing nature of Australia's major cities from a

geographical perspective, and discusses current issues in urban policy. We live today in cities whose characters have evolved over 200 years but are now being strongly affected by economic restructuring, demographic change and technological development.
