RCGroups Plans. The following free RC airplane plans are designed by individuals on www.rcgroups.com. So, you may have to search through the threads to find the post containing the plans.

Free RC Airplane Plans - RCFoam

A radio-controlled aircraft (often called RC aircraft or RC plane) is a small flying machine that is controlled remotely by an operator on the ground using a hand-held radio transmitter. The transmitter communicates with a receiver within the craft that sends signals to servomechanisms (servos) which move the control surfaces based on the position of joysticks on the transmitter.
