by the ionian sea pdf

The Ionian Sea (Greek: Ἰόνιον Πέλαγος [iˈɔnio pɛˈlaɣos]; Italian: Mar Ionio [mar ɛˈjɔˈnjo]; Albanian: Deti Jon [dɛˈti jon]) is an elongated bay of the Mediterranean Sea, south of the Adriatic Sea. It is bounded by Southern Italy including Calabria, Sicily, and the Salento peninsula to the west, southern Albania to the north, and the west coast of Greece.

Ionian Sea - Wikipedia

The islands were settled by Greeks at an early date, possibly as early as 1200 BC, and certainly by the 9th century BC. The early Eretrian settlement at Kerkyra was displaced by colonists from Corinth in 734 BC. The islands were mostly a backwater during Ancient Greek times and played little part in Greek politics.

Ionian Islands - Wikipedia

Lore. Known as the First Lands, Ionia is an archipelago of natural beauty and magic. Its inhabitants, living in loosely collected provinces, are a spiritual people, seeking harmony with the world. They remained largely neutral until their land was invaded by Noxus—this brutal occupation forced Ionia to reassess its place in the world, and its future path remains undetermined.

Ionia | League of Legends Wiki | FANDOM powered by Wikia

There is something in being near the sea, like the confines of eternity. It is a new element, a pure abstraction. The mind loves to hover on that which is endless, and forever the same.
