The first Stanley Gibbons stamp catalogue was a penny price list issued in November 1865 and reissued at
monthly intervals for the next 14 years. The company produces numerous catalogues covering different
countries, regions and specialisms; many of them are reissued annually. The catalogues list all known
adhesive postage stamp issues and include prices for used and unused stamps.

Dissemination of surnames. According to the decree, a copy of the catalogue, which contains 61,000 surnames, was to be distributed to the provincial heads of the archipelago. From there, a certain number of surnames, based on population, were sent to each barangay's parish priest. The head of each barangay, along with another town official or two, was present when the father or the oldest ...
