Educational Innovations carries a full line of teacher resources including supplies for science experiments with magnetism & electricity, biology activities ...

Chemistry - Growing Spheres - Science Classroom Learning Tools

Chemistry Sets and Other Tools of the Devil. Mr. Gilbert had a very strong belief in the educational value of Science Kits. He felt that a wide variety of educational toys could bring out the engineer or scientist in any Boy and made a very broad array of kits to offer something that would have a special resonance with The Boy.
