

child labour in pakistan pdf

Child Labour is the practice of having children engage in economic activity, on a part- or full-time basis. The practice deprives children of their childhood, and is harmful to their physical and mental development.

Child labour in India - Wikipedia

Child labour refers to the employment of children in any work that deprives children of their childhood, interferes with their ability to attend regular school, and that is mentally, physically, socially or morally dangerous and harmful. This practice is considered exploitative by many international organisations. Legislation across the world prohibit child labour.

Child labour - Wikipedia
