China's India relations, also called Sino-Indian relations or Indo-Chinese relations, refers to the bilateral relationship between the People's Republic of China (PRC) and the Republic of India. Although the relationship has been cordial, there are border disputes and an economic competition between the two countries that have at times led to strained relations.

China's India relations - Wikipedia

One of the happiest, most successful executives we know is a woman named Deb. She works at a major technology company and runs a global business unit that has more than 7,000 employees.

Benchmarking improves performance by identifying and applying best demonstrated practices to operations and sales. Managers compare the performance of their products or processes externally with those of competitors and best-in-class companies, and internally with other operations that perform similar activities in their own firms.

Management Tools - Benchmarking - Bain & Company

Recent years have seen an increase in attacks against state representatives, notably the police, across Germany. Some perpetrators of those attacks have been found to represent an ideology that opposes the state and its representatives and, more specifically, considers the modern German state to be illegitimate.
