The Chinese garden is a landscape garden style which has evolved over three thousand years. It includes both the vast gardens of the Chinese emperors and members of the imperial family, built for pleasure and to impress, and the more intimate gardens created by scholars, poets, former government officials, soldiers and merchants, made for reflection and escape from the outside world.

A work of art in the visual arts is a physical two- or three- dimensional object that is professionally determined or otherwise considered to fulfill a primarily independent aesthetic function. A singular art object is often seen in the context of a larger art movement or artistic era, such as: a genre, aesthetic convention, culture, or regional-national distinction.
