

classic card games tricks pdf

A card game is any game using playing cards as the primary device with which the game is played, be they traditional or game-specific. Countless card games exist, including families of related games (such as poker). A small number of card games played with traditional decks have formally standardized rules, but most are folk games whose rules vary by region, culture, and person.

Euchre / ˈjuːk ˈɛːr / or eucre is a trick-taking card game most commonly played with four people in two partnerships with a deck of 24, 28, or sometimes 32, standard playing cards. It is the game responsible for introducing the joker into modern packs; this was invented around 1860 to act as a top trump or best Bower (from the German word Bauer, "farmer", denoting also the Jack).
