A third-person pronoun is a pronoun that refers to an entity other than the speaker or listener. The English pronouns he and she are third-person personal pronouns specific to the gender of the person (not to be confused with grammatical gender). The English pronoun they is an epicene (gender-neutral) third-person pronoun that can refer to plural antecedents of any gender and, informally, to a ...

Third-person pronoun - Wikipedia

Singular they is the use in English of the pronoun they or its inflected or derivative forms, them, their, theirs, and themselves (or themselves), as an epicene (gender-neutral) singular pronoun. It typically occurs with an unspecified antecedent, as in sentences such as: "Somebody left their umbrella in the office. Would they please collect it?" "The patient should be told at the outset how ...
