4 Chinese Herbal Formulas: A Clinical Handbook ... Chinese term for square is thus a synonym for the cardinal directions: north, south, east, west and center. Ancient medical masters thus viewed a formula as a tightly organized collection of herbs coming together to produce

Chinese Herbal Formulas: A Clinical Handbook

A selection of formulae representative of the herbs'™ therapeutic action are given to provide context to its clinical usage, and a sense of how frequently a herb is employed. The ingredients of formulae noted can be found in Appendix 7. Most of the formulae noted are common, and detailed descriptions can be found in Formulas and Strategies (2004).
