A lovebird is the common name of Agapornis (Greek: ἄγᾰπη-ἄγᾰπῆ agape 'love'; ὄρνις-ὄρνις ornis 'bird'), a small genus of parrot. Eight species are native to the African continent, with the grey-headed lovebird being native to Madagascar. Social and affectionate, the name comes from the parrots' strong, monogamous pair bonding and the long periods which paired birds spend sitting together.

Lovebird - Wikipedia
