"Cocktails for Three" by English author Madeleine Wickham had me completely enchanted. I found the three main characters (Maggie - the pregnant one on maternity leave / Roxanne - the dating a married man one / Candice - the trusting and will do anything for a person in need one) all well rounded and hilarious.

Cocktails for Three book by Madeleine Wickham

I was delighted to discover that Madeleine Wickham was the actual name of one of my favorite authors Sophie Kinsella. I could not believe that I was unaware that Sophie was a pen name. "Cocktails for Three" was the first book I read under Sophie's actual name. It is a wonderful beach/summer read. It is light and fun.
