6 Competition Authorities ICASA is generally regarded as having ex ante regulatory powers, i.e. it acts so as to prevent future anti-competitive conduct. Ex post regulation – responding to specific complaints or instances of anti-competitive conduct – is the province of the Competition Commission and Competition Tribunal under the Competition

Overview of electronic communications regulation in South

Each issue of the IEEE Journal on Selected Areas in Communications (J-SAC) is devoted to a specific technical topic and thus provides to J-SAC readers a collection of up-to-date papers on that topic. These issues are valuable to the research community and become valuable references. The technical topics covered by J-SAC issues span the entire field of communications and networking.
