Console Wars (book) - Wikipedia

Console Wars is the story of Nintendo revitalizing the video game industry and Sega's challenges to their monopoly that changed the industry forever. It's a fascinating look into the business intentions behind these two companies, without whom the videogame industry wouldn't be the multi-billion dollar business it is today.

Console Wars: Sega, Nintendo, and the Battle that Defined

anything except the technical specifications of gaming systems. At most, "Console Wars" offers a case study in the difficulty of holding on to the lead in an industry facing rapid and continuous technological change. That in itself would be an interesting subject, but one for which Mr. Harris may not always be a trustworthy guide.
