

### **constitutional law 101 the pdf**

A constitutional right can be a prerogative or a duty, a power or a restraint of power, recognized and established by a sovereign state or union of states. All constitutional rights are expressly stipulated and written in a consolidated national constitution, which is the supreme law of the land, meaning that any other laws which are in contradiction with it are considered unconstitutional and ...

### **Constitutional right - Wikipedia**

The United States Constitution is the supreme law of the United States. The Constitution, comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress; the executive, consisting of the President ...
