Humanâ€“environment interactions in urban green spaces â€” A systematic review of contemporary issues and prospects for future research

Humanâ€“environment interactions in urban green spaces â€” A

Contemporary history, in English-language historiography, is a subset of modern history which describes the historical period from approximately 1945 to the present. The term "contemporary history" has been in use at least since the early 19th century. Contemporary history is politically dominated by the Cold War (1945â€“91) between the United States and Soviet Union whose effects were felt ...

Description â€œ Scope, Organization, and Access: The Scope of the Topics and Materials. We know a lot about gender inequality â€œ its history, how people experience it in their lives, the ways it varies in intensity and form across time and place, the beliefs that make it seem natural, and much more.

What Causes Gender Inequality? -- Robert Max Jackson

While there are uncertainties with climate models, they successfully reproduce the past and have made predictions that have been subsequently confirmed by observations. A common argument heard is "scientists can't even predict the weather next week - how can they predict the climate years from now ...
