Introductory notes. The subject of this chapter of our TrotskyanaNet site is not the Trotskyist press in general, i.e. the serials (or, periodicals) produced and disseminated by the numerous national parties and groups or international bodies claiming adherence to Trotsky and/or to Trotskyist positions in past and present. Those publications were dealt with in our Trotskyist Serials ...

(source: Burns & Knox, 2005, p. 254) In order to depict such dynamism we recognised progressively that we

needed to be able to map interrelatedness, fluidity and unpredictability, rather than construct distinct, separate and fixed categories.

### **Classrooms as Complex Adaptive Systems: A Relational Model**

To be fully understood, literary production has to be approached in relational terms, by constructing the literary field, i.e. the space of literary prises de position that are possible in a given period in a given society. Prises de position arise from the encounter between particular agents' dispositions (their habitus, shaped by their social trajectory) and their position in a field of ...
