corporate financial distress restructuring pdf

Restructuring is the corporate management term for the act of reorganizing the legal, ownership, operational, or other structures of a company for the purpose of making it more profitable, or better organized for its present needs. Other reasons for restructuring include a change of ownership or ownership structure, demerger, or a response to a crisis or major change in the business such as ...

Restructuring - Wikipedia

Corporate finance is an area of finance that deals with sources of funding, the capital structure of corporations, the actions that managers take to increase the value of the firm to the shareholders, and the tools and analysis used to allocate financial resources. The primary goal of corporate finance is to maximize or increase shareholder value. Although it is in principle different from ...

Mini-Conference Themes. Each mini-conference will consist of 3 to 6 panels, which will be featured as a separate stream in the program. Each panel will have a discussant, meaning that selected participants must submit a completed paper in advance, by 1 May 2018. Submissions for panels will be open to all scholars on the basis of an extended abstract.
