

country lore and legends pdf

Scottish mythology is the collection of myths that have emerged throughout the history of Scotland, sometimes being elaborated upon by successive generations, and at other times being rejected and replaced by other explanatory narratives.

Scottish mythology - Wikipedia

Folklore is the expressive body of culture shared by a particular group of people; it encompasses the traditions common to that culture, subculture or group. These include oral traditions such as tales, proverbs and jokes. They include material culture, ranging from traditional building styles to handmade toys common to the group. Folklore also includes customary lore, the forms and rituals of ...
