

encyclopedia of american religions pdf

Native American religions are the spiritual practices of the indigenous peoples of the Americas. This article focuses on Native North Americans. Traditional Native American ceremonial ways can vary widely and are based on the differing histories and beliefs of individual tribes, clans, and bands.

Native American religion - Wikipedia

Religion may be defined as a cultural system of designated behaviors and practices, worldviews, texts, sanctified places, prophecies, ethics, or organizations, that relates humanity to supernatural, transcendental, or spiritual elements. However, there is no scholarly consensus over what precisely constitutes a religion. Different religions may or may not contain various elements ranging from ...

Religion - Wikipedia

The United States is a federal republic. The federal government of the United States is set up by the Constitution. There are three branches. They are the executive branch, the legislative branch, and the judicial branch. State governments and the federal government work in very similar ways. Each state has its own executive, legislative, and judicial branches.

United States - Simple English Wikipedia, the free

Religion, or at least religious inquiry, is something that nearly all humans share in common. In all corners of the world and in all eras of history, people have wondered about the meaning of life, how to make the best of it, what happens afterwards, and if there is anyone or anything "out there."
