But becoming simply literate is not enough. For academic and professional success, you need to learn how to read well.ESL students, in particular, need to develop the reading skills that will enable them to not only comprehend texts in English, but also obtain what they need to deliver a response, whether this is a written/oral reply or an action they must take.

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.

Sight-reading, also called a prima vista (Italian meaning "at first sight"), is the reading and performing of a piece of music or song in music notation that the performer has not seen before. Sight-singing is used to describe a singer who is sight-reading. Both activities require the musician to play or sing the notated rhythms and pitches. Many believe that sight-singing is the more ...
