Macmillan English Grammar in Context Advanced - azdoc.pl

Grammar should be addressed within meaningful communicative contexts as one element of language proficiency. Instead of focusing on grammar rules and diagramming sentences, teachers should guide students towards an understanding of how grammar functions. Students learn how to use the form rather than memorized conjugations...

Teach Grammar as Concepts in Meaningful Contexts in

There are many arguments for putting grammar in the foreground in second language teaching. Here are seven of them: 1) The sentence-machine argument Part of the process of language learning must be what is sometimes called item-learning " that is the memorisation of individual items such as words and phrases.
