In a single volume, History of Africa offers readers a richly illustrated narrative introduction to the history of

the entire continent, from earliest times through to the present day. Building on the book's established reputation and success, this third edition has been revised and updated throughout in the light of new research and recent events.

### **History of Africa - Kevin Shillington - Macmillan**

\*\*The history of Rhodesia, while it was Rhodesia, is included in the history of South Africa. (After the Boer War of 1899-1902, the Boer Transvaal and Orange Free State became British colonies, and in 1910 were united with Cape Colony and Natal to form the British dominion, the Union of South Africa.) Chapter 15.

### **A Short History of Africa - Stanford University**

Shillington's "History of Africa" serves its purpose; namely, an introduction and historical survey of the history of Africa from ancient to modern time. The historical accuracy of the text - especially concerning the time before the bronze age - is seriously dubious, and moot at best.

### **History of Africa by Kevin Shillington - Goodreads**

Since then, the literature on the history of Africa has grown considerably in both scope and quality, and many new themes have appeared. This is the starting point for the chapter that follows, which is devoted to books on the history of Africa published between 2004 and the middle of 2010.
