larger public life of cities, *Life between Buildings* can only move us toward more lively and healthy public places. Buy this book, find a comfortable place to sit in a public park or plaza, begin reading,

### **Life Between Buildings: Using Public Space PDF**

First published in 1971, *Life Between Buildings: Using Public Space*, as its name suggests, talks about the issues planners and designers should think about in creative active public spaces. That to promote active public life, we have to move away from planning approaches that focus on the building structure, its design, layout and functions, but views the space outside the building as an afterthought.

### **Life Between Buildings: Using Public Space by Jan Gehl**

*Life Between Buildings* is Jan Gehl's classic text on the importance of designing urban public space with the fundamental desires of people as guiding principles. The book describes essential elements that contribute to people's enjoyment of spaces in the public realm.
