Light Art Installation. An example of a light art installation was that of artists Mel and Dorothy Tanner, who began adding light to their paintings and sculptures at their studio in Miami, Florida, in 1967. This was the same time period as that of Light and Space artists James Turrell and Robert Irwin in Los Angeles, on the opposite U.S. coast. The Tanners worked very closely for over 40 years ...

Training in the visual arts has generally been through variations of the apprentice and workshop systems. In Europe the Renaissance movement to increase the prestige of the artist led to the academy system for training artists, and today most of the people who are pursuing a career in arts train in art schools at tertiary levels. Visual arts have now become an elective subject in most ...
