The International Baccalaureate Middle Years Programme (MYP), is an educational program for students between the ages of 11 to 16 around the world as part of the International Baccalaureate (IB) continuum. MYP is intended to prepare students for the two-year IB Diploma Programme (IBDP).. In the MYP, students are required to receive instruction in all 8 subject group; Language Acquisition ...

IB Middle Years Programme - Wikipedia

This WikiProject exists to improve the quality of existing articles related to physics, to create articles to cover a broader range of physics topics, and to categorize and link them in appropriate ways. The result of this work should be articles that are accessible to the lay reader and yet are also useful to the professional working in the field.
