Fringe science is an inquiry in an established field of study which departs significantly from mainstream theories in that field and is considered to be questionable by the mainstream.. Fringe science may be either a questionable application of a scientific approach to a field of study or an approach whose status as scientific is widely questioned.. For mainstream scientists, attributes of ...

International Journal of Atmospheric and Oceanic Sciences (IJAOS) is an international, professional, and peer reviewed, multi-disciplinary journal, it provides a global forum for the dissemination of research in atmospheric and oceanic including the atmospheric, oceanographic and hydrological sciences. The focus of the publication is original applied or fundamental research contributions in ...

International Journal of Atmospheric and Oceanic Sciences

Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...
