Miseducating Teachers about the Poor 2501 METHODS OF INVESTIGATION Teachers who had been through the Ruby Payne workshops at their schools, including two of the authors, confirmed that A Framework for Understanding Poverty provided the central content of the professional development program, so we determined that we would take that book as

### **Miseducating Teachers about the Poor: A Critical Analysis**

Poverty is the scarcity or the lack of a certain (variant) amount of material possessions or money. Poverty is a multifaceted concept, which may include social, economic, and political elements. Absolute poverty, extreme poverty, or destitution refers to the complete lack of the means necessary to meet basic personal needs such as food, clothing and shelter.

All teachers and administrators in a district or school should be able to describe effective teaching in a similar way. This common language must not devolve into a simple checklist of strategies to use in the classroom and should be comprehensive enough to reflect the diversity of behaviors that can positively affect student learning (City, Elmore, Fiarman, & Teitel, 2009; Marzano, 2009).

Every spring, education-related newspaper and magazine stories raise the alarm that schools are teaching to the test. Scores of articles and editorials paint a disheartening picture of frustrated teachers forced to abandon good instructional practices for a relentless stream of worksheets based on boring, repetitive test-preparation materials.
