the maze games pdf

Maze game is a video game genre description first used by journalists during the 1980s to describe any game in which the entire playing field is a maze. Quick player action is required to escape monsters, outrace an opponent, or navigate the maze within a time limit. After the release of Namco's Pac-Man in 1980, many maze games followed its conventions of completing a level by traversing all ...

To solve a route-finding puzzle, one must navigate a traveler piece (sometimes one's whole body - or maybe just a fingertip...) through a pre-established network of routes, from some starting point to some goal point, perhaps obeying some rules or constraints along the way. Usually the challenge is to find any route, but sometimes one must find the shortest route among many.
