DOWNLOAD NOW » This book is designed to introduce the non-specialist music lover to Britten's opera, The Turn of the Screw. The opening chapters by Vivien Jones and Patricia Howard deal with the literary source of the opera (Oames's novella), the structure of the libretto, and the technique by which a short story was transformed into an opera.

shares my passion for Benjamin Britten's music and was always willing to entertain a conversation about the more philosophical aspects of his composition. I would like to thank my fellow students of the Royal Irish Academy of Music, who make every day of performance a collaborative and enjoyable one.
