tive use of propaganda and ideology. So it is of interest to examine how anti-semitism was incorporated into the party's propaganda and ideology, what part it played and, since this is the focus of this essay, how historians have studied this. Third, most studies dealing with the Nazis' consolidation of power after 1933 end with the years 1934-35.

German or Nazi Antisemitism?

The ideology was created by Anton Drexler as a means to draw workers away from communism and into völkisch nationalism. Nazism presented itself as politically syncretic, incorporating policies, tactics and philosophies from right- and left-wing ideologies, though a majority of scholars identify it as a far right form of politics.
