

### **war against all puerto pdf**

Based on oral histories, personal interviews, eyewitness accounts, congressional testimony, and recently de-classified FBI files, "War Against All Puerto Ricans" tells the story of a revolution integral to Puerto Rican history, but virtually unknown to the American public: the Puerto Rican independence revolt of 1950. After over fifty years of military occupation and colonial rule, the Nationalist Party of Puerto Rico staged an unsuccessful armed insurrection against the United States.

### **[PDF]War Against All Puerto Ricans: Revolution and Terror**

By 1934, the theft was so extreme that Puerto Ricans organized an island-wide agricultural strike. In response to this strike the Yale-educated Chief of Police, whose father owned the Riggs National Bank, promised that "there will be war to the death against all Puerto Ricans." This web site documents some of that war.

Put Nelson A. Denis's War Against All Puerto Ricans in the mind-blowing category: as an Anglo-American, Puerto Rico's history is a huge blank spot in my historical knowledge. Denis's book offers an angry, passionate examination of America's abuse of its Caribbean quasi-colony from the Spanish-American War to the early 1950s.
