

whip and spur pdf

A whip is a tool which was traditionally designed to strike animals or people to aid guidance or exert control over animals or other people, through pain compliance or fear of pain, although in some activities, whips can be used without use of pain, such as an additional pressure aid or visual directional cue in equestrianism. Whips are generally of two types, either a firm stick designed for ...

Whip Inflation Now (WIN) was a 1974 attempt to spur a grassroots movement to combat inflation in the US, by encouraging personal savings and disciplined spending habits in combination with public measures, urged by U.S. President Gerald Ford. The campaign was later described as "one of the biggest government public relations blunders ever". People who supported the mandatory and voluntary ...
